

# NEW MEXICO HISTORY MUSEUM

---

## PALACE OF THE GOVERNORS

### THE LUNCHEON AND TOUR

**Thursday, May 6, 2010**

**12:10 am carpool transportation from Buffalo Thunder  
or meet at 12:50 at Santacafe**

The History Museum, which opened in 2009, is a fantastic new addition to the New Mexico Museum system. It covers everything from the archeological and history roots of the region through Spanish Colonial days, Civil War battles, the development of the Atomic Bomb to the present day. We have scheduled a fabulous luncheon at Santacafe followed by a custom tour of the museum. It promises to be both an educational and fellowship treat!

Transportation (carpooling) for the tour will meet in the Buffalo Thunder lobby at 12 noon. Those registrants who will not be at Buffalo Thunder yet, may join the tour at 12:50 at Santacafe (231 Washington Ave). After lunch we will walk over to the new museum where docents will meet us, divide us into small groups and explain how to use the new interactive facility. Transportation back to Buffalo Thunder will leave at approximately 4:45.

For more information on the museum go to <http://www.nmhistorymuseum.org/>
