GENERAL: These procedures, when approved, will provide guidance to all levels of leadership throughout the District in terms of procedures, operation of committees, and training and administrative requirements. These procedures will not, and cannot, be in conflict with Rotary Procedures, Constitution or Bylaws. If such a situation exists, notify the District Secretary so that corrective action can be taken.

ARTICLE I. DISTRICT MAP

The District Map is shown below. Note that D5520 incorporates the entire state of New Mexico and far West Texas areas bordered by Ft. Stockton on the east, Alpine on the south, Marfa on the west and Van Horn on the north.

The District is divided into five geographical regions. The regions are arranged so that Rotary Clubs are evenly divided for administrative and communication access. Lieutenant and Assistant Governors are assigned clubs and responsibilities based on these regions to enable visitation and assistance in administering to Rotary Clubs.

ARTICLE II. DISTRICT LEADERSHIP PLAN

II.1 The District Leadership Plan (DLP) was adopted in 1997 and provides for the leadership organization and administration of the district to effectively assist the District Governor (DG) in the governance of the district. In brief, it addresses the need to organize the district into administrative units, assigns responsibilities to Lieutenant Governors (LtGs) and Assistant Governors (AGs), and elucidates election of committees, tenure of incumbents, qualifications of incumbents and job duties.

II.1.A Appointment The District Governor Elect (DGE) shall appoint the LtGs, AGs, District Secretary (DS), District Treasurer (DT), and District Chairpersons for the DG's year of service as set forth in the DOP.

II.1.B Removal or Replacement Any member of the District Leadership Team may be removed from office and replaced:

- Upon becoming a DGN.
- Upon resignation from the position.
- When moving from the District.
- When requested by the District Governor.
- When the member is no longer effective, is physically incapable, or dies.

II.1.C District Governor Nominee Upon selection in accordance with the DOP requirements, the District Governor Nominee (DGN) becomes an ex-officio member of all district committees and should be copied on all committee correspondence.

II.2 History of Lieutenant Governors

II.2.A Inception LtGs are Administrative Liaisons. In the year 2000, the LtG position was introduced to D5520 when it was discovered that an additional administrative layer was needed to represent the DG in matters not assigned to AGs. At this time, LtGs were assigned to work with both individual Rotary Clubs and AGs. Four were appointed this first year to represent the four compass directions of the district (North, East, South, and West). LtG qualifications were the same as AGs. The number of LG's needed to serve during a Rotary year should be established by the DGE and the District Leadership team based on the number of clubs and AG's in the District. The job description for LtG is found in Appendix A.

II.2.B Modification In 2001, the position of LtG was modified to exclude the requirement to work with clubs. Specific AGs were assigned to specific LtGs enabling LtGs to concentrate their ability to assist the DG. LtG's may however be asked to fill in and work with clubs when an AG is not able to take on the responsibility.

II.2.C Operations LtG In 2002, an additional LtG position—Operations LtG—was created.

II.3 Lieutenant Governors

II.3.A Duties The LtG job description appears in Appendix A.

II.3.B Operations LtG In addition to performing duties outlined in the regular LtG job description (Appendix A), several major duties have been added. The Operations LtG has administrative responsibility of all AGs and oversight authority of administrative functions of the district committees. The Operations LtG maintains a roster of all District Committee membership including the date appointed, years to serve and replacement date. Replacement date information for district committees will be reported to the District Governor at least sixty days beforehand so that timely replacements may be appointed for those whose time on a committee has expired. Additionally, the Operations LtG participates in the training of all Committee Chairpersons throughout the Rotary year or as required. Finally, the Operations LtG schedules an annual meeting with all committee chairs to review their roles and responsibilities, and to assist in the development of achievable goals and objectives.

II.4 Assistant Governors

II.4.A Description AGs work closely with individual LtGs. AGs usually support 2-4 clubs by serving as a communications and an administrative link between the club president, Lt Governors and the DG. AGs are selected by the District Governor Elect (DGE) with advice and consent of individual clubs.

II.4.B Qualifications are outlined in the DLP and the Rotary International Manual of Procedures (MOP), pages 30-3. Qualifications include:

- 3 years in a Rotary Club as a member in good standing.
- Club president for a full term.
- Potential future leadership in the district.
- Willingness, motivation and dedication to accept the responsibilities of AG.

II.4.C Roles for the AG are outlined in the MOP (pp. 30-31) and include:

- Attendance at all training sessions at the club and district levels.
- Meet with and assist incoming presidents before the Rotary year begins to discuss club goals and to review the “Planning Guide for Effective Clubs” and “Failure to Function” criteria in the RI Code of Policies.
- Visit each club minimally quarterly, preferably monthly. Discuss with the club leadership the business of the club and resources available to them.
- Ensure that all clubs receive a District Conference/Convention packet at PETS and that Club Presidents disseminate the information in a timely fashion.
- Perform other roles assigned by the DGE and District Trainer.

II.4.D Expectations include:

- Participating in The Rotary Foundation programs and other special events.
- Assisting in development of District Goals with the DGE following the District

Long Range Planning Committee meeting.

- Acting as a resource to RCs in all aspects of Rotary and insuring that the MOP is a constant companion.

II.4.E Appointment of AGs is made by the DGE and they serve during the DGE's year as governor. They are not officers of RI. AGs are appointed for a one-year term, with a maximum of three one-year terms encouraged as the limit of service as an AG. Enough AGs may be appointed to insure ample representation for the district. The total number will be determined by the DGE.

II.4.F Removal from office. AGs may be removed from office when they:

- No longer reside in the district.
- Resign from Rotary.
- Fail to carry out duties of the office.
- Upon the request of the DG.

The Executive Director will work directly with district leadership team to coordinate communications, maintain records, and perform other duties as outlined by the District. The Selection consists of the DG, DGE, DGN, and a representative from each of the geographical regions of the district. The Administration Team consists of the District Chairperson, an Incoming Team Coordinator and an Outgoing Team Coordinator. The last three persons are the past Team leaders who automatically assume the positions indicated. Except for the DG, DGE, and DGN all other members are recommended to serve three year staggered terms.

III.15.C.2. Purpose The purpose of the committee is to select a Group Study Exchange team of one Rotarian Team Leader and four non-Rotarian team members (ages 25-45) who meet the specific requirements of RI. This team will visit a specific Rotary District in a foreign country arranged by the DG.

III.15.C.3 Meeting The Selection Team meets in September to select the Team Leader and then in October to select the team members. The GSE District Coordinator who causes letters to be mailed to every RC in August establishes interview dates.

III.15.C.4 Process The Selection Team normally meets on a Friday evening at a venue selected by the District GSE Coordinator. The purpose is to meet the Rotarian team leader candidates and his/her spouse in friendship and camaraderie. Once selected, the team leader becomes a member of the selection team for the selection of team members and will be required to approve each team member who successfully concludes the interview. The team member selection follows the same process two to three weeks later.

III.15.C.5 Expenses The Friday evening dinner cost for the team leader selection is borne by the district. This is repeated for the team member selection except that no costs are incurred by the District except for those associated with the Selection Team. Other costs in support of the team include purchase of essential clothing items such as, blazer, tie/scarf, business cards, golf shirt, slacks and or skirt. Invoices are required for reimbursement of budgeted items and must be submitted to the DT. Note that the District Chairperson is the only one authorized to make purchases and only with the advice and consent of the District Treasurer.

III.15.C.6 Duties of the Administration Team The District GSE Committee Chairperson arranges for the selection of the GSE Team. The Chair insures that RCs are notified of the dates when the selection of Team leader and members is to take place and promotes the effort through the Leadership Structures of the District. The Incoming Team Coordinator maintains contact with the sending district, establishes the itinerary for the visiting team while in the District, arranges to meet the team when it arrives, and insures that the RCs select sponsors for the incoming Team. The Outgoing Team Coordinator assists the Team Leader of the outgoing team in terms of language and cultural awareness of the district being visited. All members of the Administration Team must follow the guidelines contained in the RI Pamphlets for District and Team Leaders.
