Adopt-A-Highway - Clean Up May 17th

6 brave souls ventured out into the early Saturday morning air. Complete with double latte's and bags in hand, Ken, Japa, Thomas, Lisa, Julie and Harpal picked up anything that moved along the highway. Yes we had fun, part of our 5 Way Test. And yes we did come across a little garter snake.

Luckily Thomas also found an old pistole, ok maybe it was just a broken down water pistol, but he did look fierce with it. Thanks to all who participated. We're going to do it again soon and finish the other ½ mile on other side of bridge.
