Dear Past Governor:

Are you asking yourself, "Now that I'm a Past Governor and still have the desire and passion to serve Rotary, what is it that I can do to serve members in my club and my district?"

"Will my shared leadership skills help to better prepare others to take on leadership assignments in their community, their professions, and in Rotary?"

**I have the answer for you!**

At the Zone Institute in Albuquerque on September 14<sup>th</sup> and 15<sup>th</sup> there is planned a two-day Institute for Leadership event. It will help each participant experience and understand how to create a similar event in their District. Eight other Rotary Districts have done so and they are prospering greatly. SHOULDN'T YOURS?

For more information about the Institute, I refer you to the Description that is part of this invitation.

As only 24 participants can be accommodated, please REGISTER right away on the 21b-27 Zone Website. The \$225.00 will cover your registration fees for the entire Zone Institute as well.

I sincerely hope to have you join us for some great fun!

A handwritten signature in black ink that reads "Sonny Brown".
